No Smoking and Alcohol Management Policy

Purpose

One of the main purposes of the Officer Kangaroos JFC (OKJFC) is the promotion of health and wellbeing through playing Australian Football and associated social/recreational activities. We respect the rights of individuals to make their own choice in relation to the smoking of cigarettes and the consumption of alcohol, however our Club policy is as follows.

No Smoking

The Victorian Government, the Cardinia Shire Council and South East Juniors have banned smoking at outdoor sporting venues during Under Age events and within ten (10) metres of playgrounds and Sporting Buildings/Facilities.

The OKJFC support this policy and therefore, all indoor and outdoor areas at venues operated by the OKJFC are designated as smoke free environments.

Alcohol Management

The South East Juniors does not allow for the sale or consumption of alcohol at any junior matches or during junior training sessions.

A total prohibition on alcohol consumption at all Under Age Football venues applies during all junior games and up to thirty minutes after the conclusion of the last game.

OKJFC supports this policy. The OKJFC may conduct events or functions that will serve alcohol (more than thirty minutes from the conclusion of the last game) which will be in accordance with Victorian Commission for Gambling and Liquor Regulation (VCGLR) regulations.
