The first round of footy in 2018 saw Melbourne put on traditional football weather.

In slippery conditions the new look under 17's came up against Cranbourne Blue.

Working hard for each other the boys opened a handy break in the first quarter and with plenty of fresh legs coming off the bench for the remainder of the game the boys built on this running out winners by 72 points.

Great opening game Roo boys.

In wet windy conditions Officer headed to Cranbourne to start their 2018 season in Division 1. With a steely looking their eyes, the boys were keen to start this season where they left off last season. From the start Officer's midfielders dominated, feeding their forwards in the best way they could considering the conditions, the opposition back men really had their hands full. When the ball went to Officers defense end, the back men stood strong. Officers wingers provided plenty of run, spearing the ball forward to create options. A great team effort and a terrific springboard for the rest of the season.

The weather was a true welcoming to Round 1 football. The rain was on and off, mainly on which tested all players in coming back from the break. A slippery ball made the contest difficult, but a huge credit goes out to all of Officer U12 White players who played hard, stayed focused and played as a team to take home the win. Great start to the season.

Well what a fantastic first game as a team for the U12 Roo girls today against Pakenham who played great. Weather conditions were tough to say the least with rain and cold winds at Officers home ground but this did not dampen the spirits of the girls.

The girls went in hard for the ball and made some great tackles and chased the ball down in all 4 quarters. In the last quarter the Roo Girls kept Pakenham scoreless and achieved their first point.

Great start to the season!

### **Officer U10 Little Demons Day.**

On a wet and windy day, Officer Blue played Cranbourne Gold and Endeavour Hills. During the first game, the team was outplayed, by a team more switched on and adapted to the conditions than Officer. Missed tackles, a lack of run and a lack of support for team mates was the stand out reason behind the team's lacklustre performance.

The second game was in complete contrast to the first. Players were shuffled around for better team balance and after a bit of a rev up, the team came out firing! Every player played their position and after an even first half, the team ran away with a comfortable win. Still a lot to work on, but overall the coaches were pleased with the team's first hit out.

Today was a great day at Little Demons day for officer U10 White.

All the boys came out to play, in wet conditions and on tiny grounds. The boys played a great brand of footy and with such small groups, hand balls and packs were the way the games played and Officer boys where great.

A few new boys joined this side this year and really stood up and had great game blending in seamlessly with the rest of the team

Well done boys, great start to your season

Under 9 White headed to Casey Fields for Little Demons Day. The players were greeted with light rain which developed into driving rain come game time. All the boys and girls tackled really well, which was pleasing to see.

Officers second game was cancelled due to the weather.

Great start to an exciting year. Well Done!

The boys were extremely brave running out their game in difficult conditions today. It was pleasing to see new players J Beetge, E Cordy, M Millar & W O'Connor join the team. Early pressure and tackling was the highlight and Officer are looking forward to a great season ahead. The boys kept warm with a pre-game 'Floss Dance' that entertained the crowd.

Well after 5 weeks of training the team finally had their first game at the little Demons day at Casey Fields.

The weather wasn't the greatest, however the kids still took the field. Unfortunately, it wasn't a great start because when the first siren went, Officer were without an opponent. The kids however were itching to play, so they were split them into two teams and they had a scratch match against each other. This went well, when it finished everyone was soaking wet but the boys enjoyed the run.

## **Officer White V Berwick White**

An hour later the team finally got their chance to battle it out with another team in Berwick White. It was a great contest with the boys giving it their all. Watching them play it was good to see some of the things they've been doing at training coming out in the game.

What a start to the team's first game of their football career at Little Demons Day! It was a tough start with rain throughout the game. Such an outstanding effort by all the players, they were soaked through, cold, and the only game on the field that played through until the end. They should be proud of themselves – All parents and friends are super proud.

Go Team Roos Black!

Today was the first official game of footy for the Officer kids and gee was it a memorable one!!!

Officer players travelled to Casey Fields for Little Demons Day where they played Cranbourne.

The kids were super excited to be there despite the wind and rain working against them.

The first half saw the players adjusting to the zone restrictions. In the second half the players displayed some of the skills they have been developing at training over the past few weeks.

The ball was really shared around and although soaked to the bone, the kids were still smiling. Well done to everyone!

Officer's second game against Berwick Springs was called off.
