OFFICER

KANGAROOS
JUNIOR FOOTBALL CLUB

The **Officer Kangaroos Junior Football Club** is pleased to announce its partnership agreement with **Dynamic Footy Skills** and introduce the programs we will be providing for our players and coaches for season 2018 and beyond.

We will be the first club in the district to provide such a program which is designed to help further develop our players, coaches and volunteers. It is open to all players in competitive age groups (U11-U17) ***providing you have registered with the club for the 2018 season.***

About Dynamic Footy Skills

DFS is an accredited organisation that is dedicated to helping young athletes of all ages and abilities to reach their full potential on and off the football field. Their elite coaches and proven programs give determined young footballers the knowledge and support to help develop all areas of their game.

There are four key parts to our partnership with DFS, they are:

- **Officer Kangaroos Junior Football Academy (OKJFA)**
- **Coaches Support Program**
- **Team Development Sessions**
- **Scholarships**

Officer Kangaroos Junior Football Academy

We have created the Junior Football Academy which will be a program that will mirror the DFS designed and delivered program to the North Melbourne Football Club Junior Academy.

Our Academy will be made **available to all 2018 registered players** (a deposit or full fees must be paid) by 31 December 2018.

The Academy commences in **February 2018** and is delivered across four x 1.5 hours sessions per group to be held at **Heatherbrae Reserve** (the exact dates and times will announced as soon as possible).

Players will be split into age group squads (competitive age groups only, U11-U17), lead by a DFS head coach with assistance from OKJFC coaching staff. All participating OKJFC players will be invited to attend a DFS Athletic Testing session. The session will be run at an external venue to be confirmed.

Coaches Support Program

For our coaches, this program is designed to provide coaches, assistants and helpers with modern skills, drills and tips to work with and development players of all abilities. The sessions will consist of:

- Two oral presentations (total 1.5 hours);
- Two practical sessions on ground (total 2.5 hours) - which includes a full team from OKJFC completing a series of game-sense drills run by DFS coaches in conjunction with OKJFC coaches.

There will be monthly in season mentoring via DFS online platform.

Team Development Sessions

Each age group will have a DFS Head Coach attend one training session to assist and run the session with the OKJFC coaching staff. The session will act as a PD session for the coaches following up on the Coach Support program. The DFS coach will review and provide feedback to the team coach post the session.

Scholarships

Four scholarships will be made available to players to attend DFS external programs. These will be announced into 2018.

Term of the Agreement

This program will run for three years, for our competitive age groups only (U11 to U17). Players registering for Under 9's in 2018 will be eligible for the program in 2020.

Uniform

All players will be supplied with their own Academy training shirt by the club which must be worn. The shorts will carry their squads unique name. We would recommend that players wear their OKJFC footy shorts, socks and runners to the Academy sessions. As it is run in February, a hat is permitted and sunscreen a must.

Squad Names

We have decided to name the Academy Squads after families from the Rythdale-Cardinia, Officer & Rythdale-Officer-Cardinia (ROC) [now the Officer SFC] Football Clubs. We believe it is important to honour the past that provide links to the present and build for the future.

Some of the names you will recognise, some you may not. While we have a featured member of the family; the squad will represent the entire contribution of that family to our history. There is a short bio below with a little more detail on our website www.okjfc.com.au

The squads are: Under 11 (Snooks), Under 12 (Pipicelli), Under 13 (Gilbert), Under 14 (Porter), Under 15 (Tivendale), Under 17 (Moylan), Under 12 Girls (Quinn).
