From the President

There's certainly been a fair bit happening over the last two weeks.

Personally, I assisted the league as part of the grading committee which has seen teams move up/down in every division. As pointed out last week, we had 2 teams move up into a higher division but none moved down.

This week it has been trying to make sure our teams evened out their number of home games. We had some wins getting home games for U12 Girls, U13 White and getting u12 White a game instead of a second bye, and will keep working for u8 Blue and u8 Black to get you guys more home games from rounds 8-14.

While we move into winter and start sleeping with the electric blanket on and going to the footy rugged up, it seems we are into flu season early, with a covid underlay, general cols and chest infections as the tops sheet and flu coming over the top as the doona, ensuring some kids and coaches are not able to get out of bed for training and games.

The perfect storm of illness is putting the pressure on teams to be able to field a full team every week so be prepared to be asked to play up an age group and fill in. We're finding it already even though we have 24 kids on most lists!

You may notice there are some interesting ladder adjustments. A change to this year's By-Laws sees any team that goes up or down a division from grading, have their ladder adjusted to show 2 wins, 2 losses and a 100% percentage. This is to put them middle of the ladder in any division they move to, in what seems to be the fairest way to manage grading and teams' finals aspirations.

Enjoy your footy!

Shayne Honey

Captains Kobe and Kane took to the field followed by their teammates. It was a cold and foggy morning but that didn't stop the Roo boys bring their A-game. The Roos always show outstanding passing skills and make sure the ball gets shared around. With a whopping 17 goals and taking another win, the boys sung the club song LOUD and PROUD. Well done U8 blue great game.

Officer White vs Beaconsfield Gold

Goals: A.Adams 3, M.Meehl 1, M.Krizay 1, S.Guinane 1

Awards: M.Meehi, A.Adams, D.Young, B,Ketteringham

The boys had a great game away at Beaconsfield. The game was very even with the boys showing some good teamwork with getting everyone involved in the play. The boys showed a lot of heart and courage in the last quarter winning the ball back from the opponent which they had been working on at training during the week. Well done boys.

Awards: T David, M Fernando, J Kleverlaan, T Oliver

The Roo boys had a repeat of last weekend and played Hampton Park. Similar to R4, the boys played well as a team and it paid off once again. The Under 9 Officer Black team dominated the game in all quarters and demonstrated great teamwork. Well done boys- your effort and practice is really starting to pay off

Officer Blue v Beaconsfield Blue

Goals: D Cowlshaw 2, S Perkins 1

Awards: J Siriwardene, A Royackers, C Telford

With the Roo boys back on their home deck, they looked to impress early. With the teamwork that we have seen from the side over the first few weeks seem to continue. The Roo boys always looking at bringing their teammates into the game even though they might have been able to kick the ball. In the second half, the boys continued to 'bash and crash' in, to find the ball, even if they were competing with their own teammates.

Awards: C Payne, J Reid, M Young

After a slow start to the game, Officer had finally warmed up and took control of the game. It was great to see the skills Officer have learnt during their training in action. Special mention to Tennille and Mitchell for their clean tackling, great marking skills from Oscar, Tyson, Briley and Kody and congratulations to Joel who kicked his first goal for the session. Well done to Officer for their great teamwork and for winning today's game.

Officer Black vs Lyndhurst Blue

Goals: W. Beesley 1, J Thomsen 2, N Fletcher 1, O Quinn 1

Awards: J Richardson, B Faoro, O Quinn, D Hansch, C Moore

Today's game was an even contest across all four quarters. After a couple of weeks against slightly younger teams, it was great to see our Roo boys face a team who would challenge them. Both sides kicked 5 goals each and there were some great contests across the ground. The Roo boys tackled, corralled and defended well across the ground. The boys had a few missed opportunities at stages that could have given them different outcomes, we'll keep working on our ball movement and sharing with all of our teammates. Playing against the added pressure was good for the group and will help the Roos in future games.

Officer White vs Beaconsfield Gold

Awards: J Meehan, Flynn Peresso

The Under 10 Whites started slowly this week, their work rate and manning up were poor. However, after ¼ time the team lifted in these areas and played superb football. Their pressure on the opposition was excellent and our Roo's went on to record a comfortable 38 point win.

The Rooboy's played at home this week against an undefeated Berwick team. With five players out of their side, they had a big challenge on their hands. It was impressive how each and every player contributed and played their role. Berwick was left scoreless for the game with another dominant 4 quarter performance by the Kangas. Well done boys!

Awards: S MacGregor, R Trancredi, T Goodes, J Herman, B Johns, J Winzer

After a string of slow first quarter starts, the Roos were quick out of the blocks today. With four quick first-quarter goals, the boys continued this trend into the second, piling on another five to finish the half. In the second half, the new editions to the team got in the mix with all players playing their roles to help the team achieve a convincing win over Fountain Gate.

Goals: R Papworth (2), R Sawrey, L Sheean (5), J Sudweeks

Awards: C Barrow, R Beaumont, K Dew, L Sheean

Officer played at home today against Narre Warren Foxes. The Foxes made their debut in Division A after playing some really good football in Division B over the last few weeks. It was a beautiful day for football. Both teams got off to a slow start with only 1 goal being scored for the entire first quarter. Narre Foxes were very hard at the contest in the early stages. At the first break, the coach asked his players to go back to basics and keep things simple. With that advice, the team kicked 2 goals to nothing in the second quarter. Whilst Narre Foxes never gave up, the Officer boys were able to keep up the momentum in the second half outscoring the opposition six goals to one. What was really great to see today was the brand of football this team is capable of playing. The last couple of weeks they have got the job done but certainly not been at their best. Today's game was more like the team we know. Outstanding team effort. Go Blue Roos!!

Officer travelled to Berwick Springs to play a side they hadn't come up against before. The boys knew it was going to be a tough game and Berwick ran away with it in the beginning, but the Roo boys showed in the last quarter what they are capable of and what they can do. The boys showed that if they keep their head down, play their game, and avoid distractions, they can play some good footy. Congratulations to all award winners.

Today the boys faced an old enemy in Beaconsfield at home in perfect conditions. They were pushed to be ready for a good start from the first bounce and had a great first quarter, the second quarter was a bit scrappy and congested but we still took a lead into half time. The second half saw the boys open the game up, playing a little wider and opening up the forward line to pile on a bunch of goals and come out with another great win. Special thanks to J. Hanegraaf, R. Papworth and J. Plunkett who came up from the under 12s. Well done boys

Awards: R. Filipi, D. Smith-Jimenez, S. McDonald, F. Temba

Milestone: Xavier Fisher 50 games.

We travelled to Narre Warren North to take on the foxes. In the first quarter, we battled hard early, however, turnovers and a lack of work rate saw the foxes kick away to a 5-goal lead at quarter time. In the second quarter despite our efforts to get into the game, the foxes continued to outclass us all over the field. In the third quarter, we played really well and finally scored a couple of goals while restricting the foxes to 2 goals. In the final quarter, we continued to fight hard, however, it became clear our opponents were fitter and more skilled than we were. Boys this is a lesson on how hard you have to work to be successful in under 13 footy.

In what was a hard game for the boys, we got off to a slow start but the boys kept their heads up and kept fighting, with some great passages of play, we saw glimpses of how good we can play But unfortunately, we could not get up and win today. Great work by all today. Go ROO BOYS

Awards: L Chase, B Hamilton, L Cramer, L Limbom, A De La Rue, R Cooper

This week in our first Division 2 assignment, we travelled to Mornington for our first twilight game. Playing against some really good opposition our boys once again moved the ball really well and played solid team football to come away with a hard-fought win. Well Done boys!

U16 Girls - Forfeit

Goals: T Canute 4, Z Godden 1, M Christensen 1, Z Gallahar 1, B Snooks 1

Best: T Jacobi, R Wierzbicki, R Kovacs, T Canute, H Fendyk, L Watson

The Roo Boys were slow off the mark today, letting the opposition getaway to a handy lead that was never challenged. Officer were inconsistent at times which the opposition exploited well. Whilst down the whole game, the Roo Boys kept fighting to the end which was pleasing to see

Officer Recreation Reserve parking

The Highly Helpful Guide to Parking at Officer.

1. Northern Car Park - if you have no intention of staying in your car park here - it's close to the Western Oval and there's plenty of space. There can be two to three rows of cars along here.
2. Behind the Goals - if you like this view park nose in, not close to the fence - pedestrians have to walk past the front of your car along the fence.
3. Eastern Pavilion - there's plenty of space through here.
4. Southern Hill - the best elevated spot to watch the action. Drive around to get one of these parks.
5. Scoreboard Side - park nose in toward the fence, not too close people have to walk past. A second row of cars can go in behind leaving plenty of space.
6. Under the Trees - reserved for Umpires, Officials, Canteen Volunteers, Committee and Coaches.
7. Officer Tennis Club Car Park - please do not park here.

Note: There are several red lines on the map - these are areas blocked off to stop cars from parking for good reasons. They include an ambulance parking bay, the edge of the playground and high pedestrian walk ways that are frequented by children.

Do not move the traffic cones to let yourself through these areas.

Recommended vehicle speed is walking pace only.
