Awards: S Cattunar, K Hitchings, N Rovatos, M Tomek

What a great morning had by the Roo boys at the little demons' days. The Roos hit the field ready to take on Narre North Foxes. The teamwork between the Roos was outstanding calling to each other and passing the ball around. It was a close match but the Roos took the lead with their fantastic teamwork. In the second game again, filled with excitement the Roos hit the ground again to take on the Cranbourne Eagles. The Roos showed great defence in keeping the ball in the forward field to score the goals needed to win the game.

It was a great kick off to the season for the Officer Blue boys. All of the hard work that the boys put in over the pre-season, really paid off as they faced Berwick Springs today in round 1.

First time playing on a full field and the boys really excelled. Fast ball movement by hand and by foot, strong marking all over the ground and really hard attacking on the ball was the difference between the 2 sides.

The boys have set a great standard for rest of the season.

The Roo Girls came up against a much bigger Cranbourne side in an early start away at J & P Cam Reserve in Cranbourne West. The Eagles were a more physical side but the Roo Girls tackling was looking good early. For the first 6-7 minutes for each quarter the Roo Girls held their own, before Cranbourne would kick a couple of late goals at the end of each quarter.

Not a bad game to start the season. We have a lot to work on, but the boys showed in the second half that if they believe in themselves, they can play good footy. Very proud of the efforts, bring on next week. Congratulations to the award winners.

Officer White played Beaconsfield on the main oval at Holm Park. The boys started really well, contesting strongly. However, they really struggled to get the ball in the forward line and as the first half wore on it became apparent Beaconsfield had a really strong team. In the second half the boys never gave up, but also as the scoreboard ticked over their confidence started to drop off. Overall, the boys showed plenty of fight, but also that we need to improve on most areas of our game.

Our boys are really keen for round 2 as they know they can do better and learn from this game.

### **Officer Blue vs v Berwick Springs**

#### **Officer 5-2-32 lost to Berwick Springs 13-8-86**

Goals: D Bohnenkamp 2, C Belsham 1, L Ramic 1, S LaGreca 1

Best: C Belsham, D Bohnenkamp, K Shipway, O Bailey, B Demaio

Awards: C Belsham, K Shipway, D Bohnenkamp

It was great for the Roo boys to be back for our first round today against Berwick Springs. The Roos came off the back of last years effort have stepped up a division, and they quickly found out that the footy standard was much higher than they were accustomed to. The boys played some great footy in patches but then let themselves down with lack of effort and discipline that resulted in 3 goals from 50m penalties. The boys have a lot of work to do at training around contested footy, tackling and creating options when we win the ball, but have shown that they are up for the challenge.

Today saw us play Berwick at Home for Round 1. Our boys showed us some really, great signs of what we can expect for the season.

A lot of what we have been doing with training was evident to us and with some further work at training we should be playing some great footy.

Great work Boys, very pleasing
