Another tough game today against a quality side and top finals contender. Officer came out from the blocks and outscored Edithvale-Aspendale kicking with the wind in the first quarter. It was out to the Roo boys to challenge themselves and the opposition. Officer managed to kick the first in the second and went to the main break with the lead. Edithvale-Aspendale put their foot down in the third and took the lead into the last change. The Roos in the end went down but never gave up today. Well done to the U15s that played up today. Another solid but unlucky performance by all. Well done team.

Friday night under lights, clear skies, perfect conditions for night footy and the battle of the highway. Pakenham started strong but the Roo boys fought back hard in the second quarter winning the quarter and trailing by 9 points at half time. Pakenham too strong for the Roo boys this time. It was great to see our Roo boys rally around team mate Noah Pippin in his 50th game and to see the great efforts they displayed in this competitive game of footy.

It was a tough game of footy for the Roo Girls today playing against a well improved Narre Black. They put the pressure on but just couldn't get the results that they wanted. The mid field and defence kept playing hard to get the ball out and up to the forward line, but Narre was just the better team on the day. It is great to see that the girls even though lost the game have not been defeated in spirit.

There's not a lot that can be said about today's game, the scoreboard says it all. Our Officer boys came up against a quality opposition today and they deserve the credit on a game well played. The boys will learn from today's game, get back to training and do it all again next week. Go Roos!!!

On a good day for football the opposition were able to get out to an early lead. To Officer Blue credit they were able to get the lead back and take control of the game. With both teams going hard at it Berwick Springs took their chances late in the game to just get in front in what was an entertaining game

The Roo boys faced up to Berwick today at Heatherbrae and all though we lost the game the improvement in our team has been excellent over the last couple of weeks. The Roo boys really linked up well today by hand and foot and coupled with their pressure and tackling it was a pretty even game throughout. Officer managed to kick three goals in a really terrific last quarter, well done Roo boys. Keep working hard and learning at training and this improvement will keep coming.

The Beaconsfield girls showed great skill snapping a quick 4 goals in the first quarter. The Roo Girls increased the pressure in the second quarter keeping Beaconsfield scoreless. Both teams worked hard for every goal and point. Officer tackled hard keeping Beaconsfield to 2 points only for the 4th quarter. The Officer girls never gave up and showed great team spirit, lifting each other to push harder. Although Beaconsfield came home with the win, Officer can be proud of how they all played the game, well done to all the girls!

Officer had a tough game on their hands today playing against Berwick Blue. The Roo boys were given a task to lay strong tackles and that's exactly what they did with some outstanding hard tackles. The Roo Boys intensity was up but Berwick's skill and ball movement was superior and the Roo boys could not match. Good effort today Officer, you should be proud.

Officer White played away against Berwick Springs in blustery conditions. The Roo boys started strong bringing the run and tackling game that has been our game all year. In the second quarter the Roo boys had the wind pushed the strong Berwick Springs. The game opened up after half time, but the Roo boys kept trying all day, which is all we can ask. Tough day, but well fought out boys!!

Best: The entire Team
Goals: D Bohnenkamp 2, K Baxter, B De Maio, W Perrin, T Noonan, L Ramic, M Millar 1
Awards: M Millar, C Mccallum, R Jones, J Phillips

Today the Roo Boys were straight out of the blocks hitting the ground hard piling on four 1st quarter goals. The pressure didn't stop with the boys all playing their best 4 quarter game all season. In total the Roo Boys had 7 individual goal kickers today showing what can be achieved from great teamwork. Today's Captains L Ramic & C Mccallum played outstanding games, L Ramic used his run hitting teammates to advantage whilst C Mccallum was dominant in the Ruck and his second efforts tackling were a highlight. K Baxter played his best Team game for the season setting up many of the Team goals and kicking the Teams first. B Rodgers would have topped the tackle count today. M Millar & W Perrin both put in another 'Goal of the Year' contender. Well done to E Hambridge for his selfless act dishing off a handball resulting in another Officer goal. R Allan was back with his great team effort and run. Just a few of the individual highlights but in all it was a tremendous team effort today. Well done!

The Roo Girls slogged it out today against a much stronger skilled side in Officer Black. This did not deter our girls from putting in 110% at all contests whether in the air or on the ground. We had some exciting moments in today's game from some big marks, strong tackles and some enormous smotherers from Bianca and the coach (needs to move quicker next time).

Although we had some great individual achievements today, again we could not split our team for the awards as the team effort shown was amazing. Great work girls and keep it up.

The sun was out today against our fellow Officer Navy team. The Roo boys put their foot down from the opening bounce. Some real unselfish play by a number of the boys with chipping the ball around in the forward line. Great finishing around the goals today, and when given the opportunity played just as hard against us for the opposition.

Team song was sung loud and proud.

The Officer boys played at home today against Berwick Springs. It was a lovely morning for football and the players certainly came out to play. The opening quarter saw the Officer boys back to their very best. They were all over the ball in the centre third and pushed it down ever so nicely to the forwards where every player in that zone was able to score a goal. The remainder of the game was played with just as much enthusiasm and the coach was super impressed with the Roo boys kicking and marking skills and extremely happy with the way the forwards led to the ball to receive it from the midfielders. This is something that has been worked on during training sessions. This was another week where there were lots of great team plays, plenty of goals and the team song was sung loudly with pride.

Today the Roos were at home up against Berwick in the windy conditions. The Roos adjusted very well in the conditions kicking the ball long down the line to a team mate. All the boys kept their heads high and walked off smiling. These Roo boys have come so far this season. Well done Officer and Go Roos.

Today the Roo boys looked a little tired however the endeavor was there. For a majority of the day it was a contested battle with the ball being kicked back and fourth in between the arcs. The Roo boys capitalized early with the first goal, but Fountain Gate had passages of play into their forward half uncontested resulting in some easy scoring shots. As stated earlier the boys didn't drop their head they continued to try and play our brand of football. The Roo boys still said they had fun which we are all about bring on next week.

We were back to our best footy today, with an early goal in the first quarter the Roo boys just kept building on that to come away with a good win. With great structure Officer kept the ball locked in and gave plenty of opportunities to our forwards and they did not let us down, it was a great game to watch. Well played by all.
