From the President

Another big week of footy down. We've had great weather for the season so far, but something tells me the weather isn't going to be too nice this week. We might all have to take Melise's weekly Auskick mantra and try the 'it never rains at Officer' line..... not sure if she's got anything to keep warmer though!

This week we have received the team and individual photos back, so see your Team Manager for yours. We've also started getting the games filmed back, if you haven't got your yet, they won't be far away. We'll put the link in your team Facebook pages and they can be downloaded from the web. If you don't have Facebook, ask your Team Manager to forward you the link.

The Officer famout Trivia Night is this week, and we have 120+ people looking forward to a night out without the kids, but not so forward to the early morning. Its always a great night and we'll share some photos and stories next week.

On the track, interleague training is going well, and next week we'll have the pleasure in announcing what Officer players have been successful. We certainly seem to have more players looking to be selected than ever before, the benefit of our development focus.

The newsletter is a bit light on this week but will be jam packed next week.

Enjoy your footy!

Shayne Honey

The boys had another excellent match at home and kicked a massive 17 goals. Brilliant teamwork and sharing of the ball saw all Roo boys get some play and they easily won the game after dominating all day. Congratulations U9 Blacks- you play hard but also show great compassion and kindness to your opponents. We couldn't be more prouder of you all

Officer Blue v Pakenham Lions Maroon

Goals: D Coxon 1, B Gale 1

Awards: D Coxon, B Chisholm, O Carson, D Cowlshaw

With the sun out and very little wind the Roo Boys looked for a fast start and that they did. Pakenham were one player short so 4 Ro boys put one a Lions jumper to make the side even. This showed the good sportsman ship that the Roo boys have.

It is very easy to see the improvement in the side as they look for their teammates who might be in a better passion. Some great run-down tackles and getting numbers to the ball, gave the forward line player some good looks at goal.

Another home game next week, as the team looks to build for the rest of the season.

Today saw another fairly evenly matched team to us and The Roo Boys started the game really well over the first two quarters. This week we saw some improvement in playing our positional roles really well. We have focused on spreading out around the ground and this has helped our ball movement when we have it, as well as being able to defend better as a team when they have it. The Roo Boys' last 3-4 weeks have seen great development across the group since getting back into a new season. Great to see seven different goal kickers for the game!

On the last Sunday of Autumn, the Kangas took on Berwick Springs at home on a glorious sunny day. A fast start was asked of the boys, and they delivered. Moving the ball quickly all over the ground, sharing and linking plays, putting on a Kanga footy display. The pressure and tackling the boys exhibited today, was again excellent, causing multiple turn overs and free kicks in their favour.

The midfielders set the tone for the day with their intensity and attack on the ball, continually winning the contest and giving the forwards plenty of opportunities.

Berwick springs competed well all day and went forward a number of times. Each time the Rooboys backs stood up strong, kept their composure and withstood their advances to rebound the ball out of their forward 50. As a result, the boys were able to keep them to 1 goal 2 behinds for the game. Another great day for kanga footy and well done to all the boys on another great team performance

The Roos travelled to Narre Warren North to take on the Foxes in what was expected to be a tough game and the game lived up to its expectations. Both teams battled hard all game with the Foxes leading by 2 goals at the final break, but the Roos were not done. The Foxes scored another goal in the fourth and the Roos answered with 3 goals to even up the score with very little time left in the game. With quick movement out of the centre, the ball landed in the hands of Flanagan-Gorickic who quickly swung around onto his right foot and put the fourth goal on the board as the siren sounded and the Roos walked away with the victory.

Officer Blue played at home today against Narre Warren Black. The Officer boys came out firing, each and every players skills were on display. The opening quarter saw them score four goals to none. After quarter time the officer players continued to play good football, running and moving the ball really well. They kicked two more goals in each of the second and third quarters.

At the last break the coach moved some players around just to change things up a little. The players responded well by kicking another 2 goals for the quarter.

It was most impressive to see Officers pressure and tackling, the opposition never had an easy possession. All in all, another outstanding performance by everyone. Go Blue Roos!

What a day of football, the sun was shining, and the Roo boys played at home! The boys played a solid four quarters of footy, stuck to their team orders and came away with the win. Officer needs to stick to their guns and their game plans, there's still a long season ahead! Congratulations to all award winners and a shout out to the U11 boys who put their hand up to play another game of footy!

Today the boys came into the game a little undermanned after the flu wreaked havoc during the week. In what was a scrappy, tight game for the first 3 quarters, our boys managed to get on top in the last quarter to finally put together some good passages of play. Although we still have a lot of fundamental skills to keep working on and developing, the boys dug deep and found a way to win. Well done boys and congratulations also to W. Perrin who celebrated his 50 game milestone.

This week we had a much-needed opportunity to play at home.

After the previous week's game, the boys were determined to play a more physically competitive style and they didn't disappoint exploding out of the blocks for the first 3 goals of the game. We took a 14-point lead into quarter time. In the 2nd quarter we continued to play very well, however the foxes inevitably fought back and cut our lead to 5 points at half time. In the 3rd quarter we continued to fight bravely as the foxes started to show their class and get on top a little bit. At 3 quarter time we were 5 points down. In the last quarter we battled on despite clearly struggling to run out the 4 quarters at such a high standard. The foxes like the good side they are managed to run the game out a little better and added 4 goals in the last to our 1. The final margin of 27 points does not reflect how close the game was. The courage and team spirit we showed was first class. If training hard, big wins are right around the corner.

Great conditions for footy today. The Roo Boys were undermanned today with so many out sick, this meant that there was great opportunity for the other Roo Boys to step up. Officer started out strong but were unable to keep up with the strength and speed of Lyndhurst and so fell short. Officer never gave up and kept fighting until the final siren. Great effort Roo Boys.

Awards: R.Mollison, F.Kneen, L.Yeates, N.Williams

The conditions were perfect, which suited the players to play their normal brand of football. The boys got off to a good start which was most encouraging as they had been working towards this during the week. A great defensive game from the side with plenty of run and carry from the backline to the forwards. The forwards applied a lot of pressure which was fantastic to see, and our wingers held their width all game. A well-deserved four quarter win but more positive was the way the boys went about their game. Fantastic effort from all players!

The Highly Helpful Guide to Parking at Officer.

1. Northern Car Park - if you have no intention of staying in your car park here - it's close to the Western Oval and there's plenty of space. There can be two to three rows of cars along here.
2. Behind the Goals - if you like this view park nose in, not close to the fence - pedestrians have to walk past the front of your car along the fence.
3. Eastern Pavilion - there's plenty of space through here.
4. Southern Hill - the best elevated spot to watch the action. Drive around to get one of these parks.
5. Scoreboard Side - park nose in toward the fence, not too close people have to walk past. A second row of cars can go in behind leaving plenty of space.
6. Under the Trees - reserved for Umpires, Officials, Canteen Volunteers, Committee and Coaches.
7. Officer Tennis Club Car Park - please do not park here.

Note: There are several red lines on the map - these are areas blocked off to stop cars from parking for good reasons. They include an ambulance parking bay, the edge of the playground and high pedestrian walk ways that are frequented by children.

Do not move the traffic cones to let yourself through these areas.

Recommended vehicle speed is walking pace only.
