Today the boys played Berwick Springs at home and were again challenged to improve on our previous efforts. We asked for strong contested footy and clean, smart ball movement and the boys delivered again. Against a bigger opposition, the boys showed that they can match the physical stuff with anyone and they finished off the hard work from the defence and mid groups, where our forward group played with open space and gave off some great team handballs to help set up our goals. Great job boys

Officer Blue played away today at Sweeney Reserve 1 against Narre North Black. The Officer boys came out firing, each and every players skills were on display. The opening quarter saw them score five goals to none. After quarter time, the game began to even up and both sides battled it out for the next two quarters. A total of only 4 points was scored. At the last break the coach asked the boys to lift and finish off the game the same way as they started. The players responded well, kicking the last four goals of the match. It was most impressive to see Officers pressure and tackling abilities, the opposition never had an easy possession.

All in all, an outstanding performance by everyone. Go Blue Roos!

Great team effort once again and a huge thank you to the players that put their hand up to play for the opposition. Absolutely massive and very very much appreciated- so proud of you all. Good 4 quarters of solid football and well done to all award recipients. Special mention to Kai and Axel for their coaches' awards. All in all, very pleasing to see we are doing the small things. Keep up the great work. The test is yet to come.

It was a sunny day as Officer Blue took on Tooradin-Dalmore. There were challenges as the boys faced strong wind and played on a larger ground. Officer were kicking with the wind in the 1st quarter and were in strong attack mode as they dominated the centre and continuously got the ball in their forward line, kicking 3 goals and 1 point. The second quarter saw Officer kick against the wind and struggle, resulting in no points that quarter. The backline was strong though,, keeping Tooradin-Dalmore to just 2 points. Officer came back fighting in the third quarter, dominating the game and earning themselves 2 goals 5 points. Tooradin-Dalmore put Officer to the test in the 4th quarter. But Officer stayed strong, punched from behind and spread out, keeping their opposition to 1 goal 2 points, ensuring them of the win. Another awesome effort Kanga's!

The Officer Blue team came up against Officer White for the first time. Club v Club.

The game was played in very good spirit, with both sides enjoying the home ground.

The Blues took off from where they left off last week, with great sportsmanship by bringing each player into the game through handballing and running.

Today Officer White took on our other fellow team Officer Blue. There were laughs on the field and teamwork as they tackled the ball. The skills that were taught at training were shown on the field and the kids also showed great teamwork handballing to each other as well as calling out each others name. They keep making us proud week in week out!
Well done Roos!!!!
