Officer came to Berwick to expect the unexpected and they did. Officers playing group got the jump on Berwick against the wind and played a solid first quarter. The next two quarters Officer played as the same team they had last week. The last quarter Officer turned it around and produced the football they are capable of playing.

Awards: J Liddle, T Marshall-Sanderson, X McEwan, H Howat, J Adams, M McKenzie, P Lucas, R Wierzbicki

Great win by the team finally playing four quarters of football in windy conditions. The Rooboy had better run from behind the ball. The ball use had more control with extra numbers around the ball in support. Tyson started well with 2 great goals that rewarded great team work. The half back line played very well as team and controlled the game rebounding the ball back into our forward line. The team is still focussed to keep improving but it was great to get the first win on the board.

Pakenham 7-15-57 def Officer 7-0-42

Goals: S Crothers 4, C Barkwith 3

Awards: P Cooper, S Crothers, K Dalglish, S Richards, E Trimboli & T Wilson

Today's game was a very wind dominant game and Officer was able to hold Pakenham off and keep them scoreless in the second quarter kicking most of their goals in quick succession. Officer played hard and was only beaten by points in the end. While the girls were beaten they came off with their heads held high knowing they played a fantastic game.

Awards: D Sheean, J Timothy, D'Angelo

On a hard day for football with a strong wind Officer started well winning enough of the ball against a strong breeze. With the opposition taking their chances going into the break with a lead in the second quarter with the breeze behind them Officer were able to kick a couple of goals and matching Cranbourne around the ball going into the 3rd quarter. Cranbourne with the wind behind them started to take control of the game and take their chances to set up a big lead going into the last quarter. Cranbourne were able to keep the pressure up with Officer working hard to contain them, in the end Officer had no answers with Cranbourne too good on the day.

Awards: J Honey, B Hobson, R Cachia, E Moylan, R Yeates

Milestone: 50 Games Bryce Hobson

The Roos boys faced a formidable opponent this week in the undefeated Beaconsfield Gold. Beaconsfield showed why they are top of the ladder and came out firing in the first half with a quick succession of goals. Jackson dominated the ruck at every contest however the boys couldn't convert the opportunities. In the second half the Roo Boys upped the defence and

shut down Beaconsfield's rain of goals keeping them to just one point in the final term. It was a tough match but the Roo Boys can hold their heads high after giving their all for four quarters.

What a day of Football, Cranbourne and Officer Girls both going hard at the ball and with the windy conditions both sides were tested today. It was neck and neck at halftime with only 2 points separating the teams. In the second half the Roo Girls showed their determination and drive for the ball. Not panicking under pressure, the Roo Girls showed their never give up attitude and strong team spirit to come away with the win.

We were all pumped to finally be playing at home this week and the Roo boys certainly didn't disappoint with a really great effort against a pretty strong side. The Roo Boys pressure and attack on the footy was terrific all day, and when they won possession their ability to move the footy down the ground was great to watch. With continued hard work and good numbers at training Officer will continue to improve and the results will follow. Thanks to Benny, Harrison and Tyler for filling in for us.

Officers toughest game so far this season, it was hard footy straight off the bat. The boys looked elite, finding the free and putting the ball to advantage every chance they had, it was crash and bash footy the whole game and the Roo Boys really got around each other looking after their team mates and getting the win. Great game by all.

Today the Roo Boys came out firing knowing that they have the next two weeks off. The boys continue to show our team first approach which is our moto and game style. The boys defence again week after week is a solid unit holding Narre Warren to 1 point in the first half. Narre Warren showed some grit and outscored Officer in the third quarter. The Officer pulled it together in the last and bought back there style of football, see ball get ball. Both coaches couldn't be more proud of the "team first" mentality that these boys have created, the positivity and bond between a group who didn't know each other at the start of the season is first class.

Officer White played Narre North Foxes Black at Narre North. Today was the first time the boys played on a larger ground. Although the conditions were windy the boys got off to a good start. Our pressure eased off around the ground allowing Narre Warren North to control the game. There have been some good improvements. Keep up the good work.

The girls played fantastic today and showed exceptional spirit in what was a very a physical game on and off the ball. They continued to show their determination and improvement with their skills. The third quarters defensive pressure limited the opposition to 1 behind, another great performance by the Roo Girls.

Officer played at home today against Narre North Foxes. The sun was shining but there was a strong cold wind blowing to one end of the ground. The Officer team kicked with the wind in the first quarter and they were off to a flying start. The second quarter allowed Officer to demonstrate once again how well they operate as a team as they used plenty of handballs to get the ball down to their scoring end. The second half played out quite similar to the first, lots of goals with the wind and much harder working against it. There were some standout plays today by many. All of the Roo Boys continuously show their love of the game and really just get out there and get the job done.

Go Blue Roos!!!

Today at Barry Simon Reserve our Roo Boys faced our toughest team yet.

The boys had some nice long-range goals today and some hard work on the ground by a couple of the players. The link up ball movement from past weeks was nowhere to be seen

today, along with the commitment to tackle. Looking forward to working on these at training during the week.

The boys got to sing the Club song, go ROOS!

We played at home against Narre foxes in difficult conditions the wind was pretty strong favouring one end of the ground and that was the scoring end all day. To our Roo Boys credit we scored a couple of times against the wind due to some awesome teamwork, overall it was a fantastic team effort today keep up the great work guys
Congratulations to Cole kicking his first goal for our team today

Today the Roo Boys played Narre North Foxes in our first home game of the season. The wind was blowing strongly to one end which the boys kept fighting it out. Kicking shorter to teammates so the ball wouldn't get affected from the wind. Both teams were very even across the whole oval. Big mention on how the Roo Boys were moving the ball in the challenging conditions, a very superb effort from the Roo Boys.

Another beautiful morning for the under 8s, as we headed to Narre North, our game got off to a very slow start with our lovelies suffering from some Sundayitis. However we made marked improvement after quarter time and were more competitive. Sienna worked hard all

day, Lucas has improved an enormous amount and Aston and Kieran are constantly working for their team mates which is brilliant to watch.
