Today our Roo boys seemed worn out and tired. It was a great day for footy, No wind and mildly overcast. Our Roo boys played all four quarters out with spirit until the siren went. There was great displays of skill throughout the day from both sides. Unfortunately for our Roo boys Berwick seemed to have our measure today, however to our boy's credit again never dropped their head and continued to try and play our brand of football which is all we could ask of the boys. Runners up maybe second place but these boys have achieved so much in one year of being together that we call that a win in our eyes. The boys remained upbeat and are all eager for next year. A huge shout out to the Officer Junior Football Club for all the support shown for the boys today was great to see, Secondly to our Assistants / Helpers & Mums & Dads without each and everyone of you Jason and I wouldn't have been able to reach this milestone without your support and continued positivity. Bring on 2020.

Today was the GRANNY for Officer U11 White vs Pakenham

And out we came to play. The boys wanted the ball from the first bounce and really controlled the play. Doing all the things they have learnt this season widening and then lengthening finding the free and zoning off, we got a great start and never looked back and came out with there first PREMIERSHIP !

Well done to all the boys and to Coach Tim for what has been a fantastic season.
Best on ground today to Keenan and congratulations to Addo and Jed on their 50th's
And to all the boys, for what was an awesome year and let's go back to back next year.
