Great win by the team today, the spirit and enjoyment the team had was great. It was Ayden Peachey's 50th game and team tried everything they could to get him a goal, but no luck. Now with this win they can look forward to a final series. Focus is now on next week.

The Roo Girls came out firing today for their last game of the season. The defence held back Beaconsfield's forward to keep the goals down. There were a few opportunities that Officer took to kick three goals, improving on their last match against Beaconsfield. The Roo Girls have had an amazing season developing together and are already strategizing for next season. Well done Roo Girls on a great season.

On a good day for football with both the Officer team's playing the last game for the season and what a game it was. With both teams evenly matched for the first 3 quarters. In the end it was the White team who took their chances more to have a win.

Near perfect conditions for footy to finish the home & away season. We knew we were going to be in for a tough game playing the top side. Our girls came to play and from the very first bounce it was on. It showed the hard work the girls put in in training all year is finally paying off. With a finals spot already secured the girls played with the belief that they deserved to be there. So let's get together and support our first girls' team to make finals. #

The boys played hard against a fast and skill full opposition. A few of the boys stepped up to the plate for the last game of the season. Some sneaky goal, solid tackles and great tackles once again showed us all how much they have improved this season.

Congratulations to Finn on 50 fantastic games for Officer.

The Roo boys started the game strong, they really wanted to win their last game. They found it difficult to match up on some of Berwick Springs quicker players, but also played some good attacking football in the last half. A good ten minutes of footy in the last quarter failed to convert on the scoreboard. A great effort this year for the Officer boys, they should be proud of how far they have all progressed with their football.

The Officer boys came out strong in the first quarter with a quick goal, and then it was a tight game from there, with plenty of pack footy and missed chances by the boys, kicking 8 points and letting Beaconsfield back in the game. Then in the final quarter the Roo boys came back out with their well-structured footy locking down the ground and kicking 4 unanswered goals for the win. Well played by all. Here's hoping for a good finals campaign.

Officer White played away against Narre South Lions in our final game for the season. The boys started really strongly, attacking the footy at every contest. After half-time, the boys continued their good work moving the footy around by hand and foot. There was an emphasis on getting the footy to a few of the boys who hadn't kicked a goal for the season and it was good to see the footy being shared around. Well done on a great year, sad that it is over but I am sure the parents will enjoy their sleep in's! Big thanks to Robyn, Greg and Cam for all your effort over the year! Great work Roo Boys!!!

Today the Roo Boys finished off their season against the competitions best at Berwick. The Roo Boys were certainly up for the challenge and the first half was only separated by a goal. Every contest was a battle and it was the second quarter that the Roo Boys worked hard to create scoring opportunities.

The Roo Boys threw everything at Berwick but it was the third quarter that Berwick got away on the scoreboard. To the Roo Boys credit they didn't stop as they have done all season and can certainly hold their heads high on a fantastic season of footy. Well done Roos!

Our last game of the season saw a large crowd, filled with loud, proud Roo supporters.

On what was a really small ground our boys had to work hard in a contest filled with big tackles and hits, the first half was really close. We let ourselves down with our defensive

pressure. After half time, our boys stepped it up, locked down on their players, and started to take control of the game. At three quarter time, coach spoke to the boys about sticking to what they had been doing all year, and never fall in to the trap of being concerned with opposition's behaviour. A proud coach and parents of all the boys today and throughout the season. A fantastic effort to be undefeated for the 2019 Season – Well done U9 Black Roo Boys!!

Officer Blue played at home today against Narre North Foxes for the final match of the season. Officer hit the ground running and really dominated possession for most of the game. The coach was super impressed with the level of team work the players were displaying today. This has been something that has separated them from the rest of the competition for most of the season. It was also another week where there were lots of goal kickers and huge amounts of effort being shown. Sadly, it was the last time in 2019 where this group of players got to sing the club song loud and proud. What a fantastic season this group of young superstars has had.

Go Blue Roos!

Today the Roo boys played at home against Pakenham Blue for our final game of the season. The Roo boys showed a lot of spirit and sportsmanship from the first ball up. Officer listened very well when I was saying to the team about sharing the ball around giving all the forwards chances to kick goals. The Roos have come so far this season. It's been a great season and we are all so proud of these boys! Go Roos
