Today the Roo boys came out firing. For a majority of the day it was a contested battle with the weather being as wet and cold as it was. The Roo boys showed a classy team game today with all positions holding their own in every contest. Our boys held second placed Fountain

Gate scoreless for the entirety of the game playing our brand of team first football. With this fine win this young ROO group who at the start of the season didn't know each other plus some inclusions of boys who have never played before are heading to the Big Dance in 2 weeks' time.

GO ROO BOYS!!!!!!
