Not only was round 4 great weather but an even better game was played. Nothing better than playing our cross-town rivals Beaconsfield and showing off great skills. Our handballs each quarter through the midfield throughout the game were amazing. All the hard work and skills learnt at training have really paid off. From the second the captains Lucas J and Nate R lead the team to the field the boys all did their mothers proud. Happy Mother's day to all the amazing Mums

The boys travelled away this week to take on Berwick Springs on a foggy morning. The boys came out strong attacking the ball and passing it around which we have been working on at training. They worked all game holding the ball up well in the middle of the ground and came away with a good win. Well done boys onto next week.

Awards: R Stafford, J Coustley, X Deering, C Symons, N Rosette, L Dalton, J Kleverlaan

On a sunny Mother's Day morning, Officer U10 Black took on Parkmore on a slippery ground. The rooboys showed great teamwork and spirit, even though they had to lend five players to the other team for the third week in a row. The game was more challenging with the similar jumpers, but the boys still played with skill and accuracy. They also cheered on four of their teammates who kicked five goals for Parkmore. Tyler had a fantastic debut for Officer U10 Black and was warmly welcomed by his new mates. The boys also appreciated the support of their injured teammates from the sideline.

Goals: S Perkins 2, T Hobson 1

Awards: A Royakkers, J McCasker, R Farkas, T Hobson, C Telford

With a nice early and cold start to Mother's Day, the Roo Kids took on Pakenham in Pakenham. With all the ball in their forward line, the Roo kids just could not seem to find the goals in the first qtr. The run and carry, linking with each other, from last week was there again today. In the second half, shots on goal kept coming, but this time they were goals. With a team effort that only a senior coach would dream of. The young Roo Kids took their game to the next level showing just what they are capable of.

On a beautiful, sunny Mother's Day morning, our U/11 Blue team arrived at our home ground, eager to start the game. Despite a bit of a slow first half, it certainly wasn't reflected on the scoreboard. Our team were leading comfortably at halftime. Nevertheless, Steve (in true coach Steve style) used the half-time break to revitalise our players and deliver a motivating pep-talk. What a fantastic second half our players had as a result! Teamwork improved, mental focus enhanced, accuracy increased, and the level of effort soared to 110 per cent. With a final score of 71 to 6, our Roos headed to the change rooms and sang our song with gusto. The team then reflected on another great win, celebrated the result of their hard work, and made all the mums super proud.

Proud mothers filled the sideline watching their Officer boys play on Mother's day. It was lovely to watch the Officer boys hug their mothers as they entered the field. The team's Captain's mother completed the coin toss, the sun was shining and it was a lovely morning for football. The Officer boys worked hard on the field putting all their hard work from training on display but the Beaconsfield team proved to be too strong for the Officer boys today and won the game by 99 points. Well done to the Officer Boys for their great teamwork and their strong team spirit

Off to face Berwick this week on a fantastic day for Mother's Day. We asked our Roo Boys for a 4 quarter effort today coming up against another good opposition from what we could see from their previous results. A slow start from our Roo Boys, but saw us build into the game throughout each quarter. It was a fairly open game with both sides moving the football well across the ground. Showing some really good ball movement in the 2nd & 3rd quarters, moving the footy how we train & resulting in some great goals, as well as building the confidence within the group. We asked our Roo Boys to use effort all day & they did, we had all players contribute through the game. The final score didn't do our boys justice, with Berwick kicking a few late goals. Really pleasing we had 5 individual goal kickers & some kicking their first goal for the year.

Goals: I Hitchings 3, L McLaren 2, W Andrews 1

Best: A Thomas, J Dorey, Z Medwin, W Andrews, L Siriwardene

Awards: J Dorey, A Sgarbossa, W Andrews On a beautiful sunny Mother's Day, Officer headed to Berwick Springs. After a delayed start due to a lack of umpires, the Kangas got off to a much better start than they had in recent weeks. However, a fierce Berwick Springs team fought back and went about hunting the boys, tackling hard on and off the ball. Some slick ball movement and forward line pressure, saw the Roo boys head into the first break. up by 7 points. The second quarter saw Officer continue to play Kanga footy, despite the continual tactics from the opposition who chose to go for the man over the ball. It was a tough quarter of football that saw both defences hold up strong and both only allowing the one major to be scored. At the half time break, the Roos maintained the lead, going into halftime up by 6 points. The third quarter saw Kanga Footy come to the forefront. This renewed intensity, lead to repeat inside 50's, resulting in Officer's forwards capitalising and putting on three goals to Berwick Springs' 1 behind. The last quarter saw rebound footy, with both teams unable to penetrate the other team's defences. Some great work from the Roos backline, who continually attacked the ball whenever it was near and cleared it out, time and time again. In what was a heavily contested game, Officer ended up defeating Berwick Springs by 26 points. A quick shoutout to Dexter for stepping up to umpire so the boys could play!

Best: Hibberson, Ricciuti, Wilson, Jameson, Jones

A cold Sunday Mother's Day morning, an away game against the Berwick North Tonados.

A very tight first quarter saw only one goal scored. The Tornado's quickly showed that they were here to play with some great marking and hardness at the ball.

Realising that they needed to lift, the Kangaroos boys kept the Tornado's scoreless for the second quarter. With some great ground work and run from Hibberson, Mills-Smith and Bastin, we were able to add two goals to our score.

The third quarter was much the same as the first with only one goal scored by Officer but, the Tornado's were still pushing hard. Thanks to some tight defensive work from Smythe, Ventura and Flanagan-Gorickic, they were unable to score.

Last quarter saw Officer add two more goals to the scoreline with some slick link-up play from Jameson, Goodes and Laws. It's plays like this that have put our boys in a very unfamiliar position with four wins without a loss for the season. Let's hope that they can keep focused and continue their winning run.

What beautiful weather it was today for football. Happy Mother's Day to all the mums out there. Officer Roo girls played at home this week against Pakenham Lions. The girls went out hard and started the game really well by sharing the ball and talking to each other. Sienna did a fantastic job getting the ball down to the forward and helping the girls kick goals. The girls stopped Pakenham from scoring for the first 3 quarters of the game and being up by 5 goals. In the last quarter Pakenham managed to get passed the back line and scored but the Roo girls kept fighting until the end. After missing some earlier games Scarlett came out and played her best game ever for the club. Audrey who is one of our new girls did a fabulous job today and taking a mark. Well done, Audrey. Izabelle did a fantastic job this week by getting in there tackling and getting the ball out. Olivia finally scored her first goal for the club after only getting behinds the last 2 seasons keep it up, Olivia. Well done Roo girls on another win the week. Keep up the good work.

Overport Park, Frankston – Any lingering pessimism from the first three rounds evaporated faster than the morning dew at Frankston Sunday and with it, the pressure of a winless stretch that feels so unusual. In unseasonably warm conditions, Officer brought their own heat and in doing so, registered their first win of the 2023 season. They didn't have it all their own way though. In a nervous beginning, Officer controlled field position yet could not capitalise on the scoreboard, which froze, refusing to thaw. "It was a sloppy start," said forward Luke. The limited opportunities Frankston received came from quick and decisive ball movement. "It crept out the back a few times," said midfielder and Co-captain Max. By the time the siren had blown for halftime, Frankston had managed to even up the goal tally at three a piece and Officer held only a slender lead. "We got caught out of position. Just caught too high." The tension could be felt around the ground, and Frankston sensed an upset. Whatever momentum Frankston had vaporized quickly. In a destructive twenty-minute span, Officer turned up the thermostat putting on ten goals to none. At one stage, Officer kicked two answered goals from twelve possessions. Frankston did not register a possession. There was high marking, goals from the boundary and centre clearances galore. "We attached the ball more often," Luke added. "Our kicking was accurate. All the things we have been working on at training you could see were paying off". Referencing the start of the second half, Max described it as a good feeling. "Teamwork was good, the talk was up. Forwards were presenting. We ran rings around them." The 58-point win rocketed Officer up the ladder and with some of their close losses, their percentage improved to a respectable 105%. "Next week, just keep doing everything we did this week," Luke added. With the monkey off the back, Officer are aware of the challenges that will continue to face them week to week. Building off their scorching second half will be the goal but for now, Officer are basking in a well-deserved victory. "It felt good," Luke concluded. "Everyone was a little faulty singing the song. We hadn't sung it in a while!"

Officer came to Chelsea to expect the unexpected and they did. Today was a special game, not only was it Mother's Day but for three Roo Boys; Coby, Ethan & Jimbo it was their 50th game today! Both sides played a solid first quarter, with a point in it. Chelsea got the jump on Officer in the second quarter and went into halftime with the lead. Chelsea was able to keep the boys goalless in the third quarter, which Officer returned the favour for in the fourth. Unfortunately, Chelsea was just too good for the Roo boys this time, coming away with a 15-point win.

Awards: A Anderson, R Mortimer, R Reynolds, A Wickman We only had 14 Roo girls today but we were all switched on from the time we walked into the club rooms to the time we ran onto the field. The girls were given some simple instructions before going out onto the ground and with that the message was met from the start of the game to the end. From the first ball up, you could see the electricity running through the girls, the tackles were hot and the kicking and handballs were precise. Although Langwarrin scored the first goal it was a quick response by our girls when we got it forward and Amelia scored our first goal of the game. The 2nd quarter Langwarrin had the better of us but we never gave in! Our tackling stayed fierce throughout. 3rd quarter Jasmine scored our second goal and we kept our discipline. The last quarter we never gave in and pushed as hard as we could! Our girls can hold their heads up and be proud of today's efforts.

OFFICER WHITE 6-5-42 LOST TO SEAFORD 9-10-64

On a beautiful sunny day Officer hosted Seaford in what was a highly anticipated match-up. Right from the first bounce Officer showed great intensity and with some great pressure and tackling managed to take an 8-point lead into the first break. Officer continued to defend Seaford brilliantly and managed to keep them goalless while adding 1 themselves. Officer took a 10-point lead into the long break. This quarter saw a fired-up Seaford turn on an inspired 3rd quarter and with their dominance in the middle managed to pile on 7 goals to Officer's 1 to completely turn the game on its head and take a comfortable 29-point lead into the final change. In the last quarter Officer lifted and managed a good quarter of footy to reduce the final margin to 23 points. Officer showed they are very close to the best in division 3 and despite their ladder position, they could seriously challenge for the top 4 this year. If they keep working hard they will be very hard to stop as the season progresses.

Playing Narre Foxes at home with fantastic weather on Mother's Day the scene was set for a terrific game. Again, we started off slowly in the first quarter coming in from 2 - 1 = 13 to 3 - 3 = 21. This is starting to become a concerning habit within the side and something that we will have to fix.

However true to our form the last 3 weeks we then proceeded to completely take the game away from the opposition kicking 4, 3 and 3 goals in the remaining 3 quarters of football to Foxes 1,1 and 1. What was most pleasing about today's effort was our spread once we had the ball and our skills in doing this. The decision-making by some players was next level and as a side we were able to control the tempo during the game which is something that we have been working on at training and was most rewarding in seeing this displayed in the game. Special mention to Keenan for playing his 100th game for the side and he didn't let us down with another polished high-quality game

The Roo girls celebrated Mother's Day with our 3rd win in a row at home. We were a bit slow in the 1st quarter to get into gear. From the start of 2nd quarter our girls hit the reset button and were playing positive football. During the 2nd half we flipped the forwards to the back and visa versa. It didn't matter were the roo girls played they kept positive attacking pressure throughout the game. Each game we are growing in a positive way into the team we need to be. Congratulations on the win today's roo girls, it's a great start to the year. We will need as many as we can at training so we can keep improving. See you next week for round 5. Go Roo girls
