The boys played at home today on what only could be described as kite-flying weather. The wind was blown from one end to the other and the boys had to work hard for every ball. The boys really used this game to work on the running game which we had been teaching them at training, which was working really well using teammates in a running play. The boys came out comfortable winners on this cold winter's day.

Another exciting Friday night footy under lights and a first at our very home ground at Starling Road. The roo girls were ready to take on Narre North foxes of what we would know would be a very tough match. Getting a lot of the ball and sharing it around with our teammates to pay it off with goals was a big highlight in the very tough conditions. A very different style of gameplay didn't stop our girls from playing with how they know best. In the spirit of the game and teamwork. The girls showed great dedication, fairness and we couldn't be prouder of how they handled themselves and still walked off the ground with smiles on their faces and their head held high Well done on another amazing week roo girls

On Friday night, the U10 Blacks faced off against the U10 Whites in a highly anticipated match. The boys were eager to take to the field, and the atmosphere was electric. With a large crowd of supporters and the light towers illuminating the field, it truly felt like a professional game. The competition was fierce, with both teams giving it their all.

It was a great experience and a lot of fun for both teams. The Officer Kangaroos were proud of all the players, who tried their hardest and achieved great things on the field. The game was a true showcase of skill and sportsmanship.

The effort put in by the boys was truly outstanding. All their hard work and practice paid off as they remembered their training and executed their skills flawlessly. It was a night to remember for everyone involved.

After the game, both teams came together in a show of camaraderie to sing the Officer Kangaroo theme song. It was a heartwarming moment as the two teams put aside their rivalry and celebrated their shared love of the game. Photos were taken of the two Officer teams together, capturing the memories of this unforgettable night.

On a cold and windy Sunday morning, our Under 11 Blues arrived at our home ground ready for another game. Even with the tricky weather conditions, and coach Steve being away on holiday, we got off to a flying start, kicking four goals in the first quarter. As the rain held off, our run-off half-back was impressive with our Roos sharing the ball efficiently and kicking accurately. Today, Cranbourne was no match for our team who came away with a win of 142 to 7. A special mention to Ollie Main who kicked a whopping 7 goals, and to Clay Peresso for stepping in and taking the reins as coach. Congratulations Under 11 Blues on another superb win.

A very different type of day today for our Roo boys, with it colder & windy!

The coaching group took the opportunity this week to put some players into different positions, to give them an opportunity to play a different & even more challenging role than what they may have been used to. The focus for the Roo Boys is to play a great brand of Kanga Footy, no matter what position that is needed in, as they continue to learn & play the required roles given.

With a dominant breeze blowing down to the highway end & after losing the toss, our Roo Boys wanted to carry on from previous weeks with a good start. In tough conditions they did. With a bit of a wasteful 2nd quarter with the breeze, there were a few opportunities missed, going in at halftime kicking 4 goals & 7 points

Regrouping at half time & focusing on better / smarter ball use & making some better choices when going forward, as opposed to just blazing away, the Roo Boys finished with a very dominant 2nd half & showing them why playing our brand of Kanga Footy is important.

The 2nd half saw us finish with some great passages of play & finishing in front of goal, kicking 10 goals & only 1 point. We finished with our highest score for the year & again a pleased coaching group with all Roo Boys playing their part in a great team effort

This week Officer welcomed three more players to the 50-game club in Archer, Lewis and Jett. On a cold and windy winter's day, Officer lost the toss and started the day kicking into the wind. Berwick kept the ball in their forward half for the majority of the first quarter. To the credit and hard work of the Kangas defenders, and midfielders who dropped back and helped out, they were able to prevent Berwick from getting any advantage from the wind, keeping them scoreless for the first quarter.

The second quarter saw the Roos with the breeze and within the first minute saw them take full advantage of the ball. Kicking it long from a centre clearance to hit up their full forward, who kicked truly for their first major for the day. The boys continued to control the play for the quarter, however, were somewhat wasteful in front of goal, kicking 3-3, while still keeping Berwick scoreless. The third quarter saw the boys set the task of kicking a goal into the rather stiff breeze. They set about with renewed enthusiasm despite the chilli conditions. Berwick, to their credit, continued to drive the ball into their forward 50 and were eventually able to add 1 goal, 2 behinds. Officer continued to focus on the task that was set for them, and through hard work and multiple forward entries, they were able to kick a goal into the breeze. Coming into three-quarter time, they were up 4-3 to Berwick's 1-2.

The last quarter saw the Kangas control the play from the first bounce. Their ruck and midfielders were able to get first use of the ball, allowing them to switch the ball into space and continue to drive it into their forward line. This provided their tall and small forwards with multiple opportunities to affect the scoreboard. Officer kicked 4 goals, 4 behinds for the quarter to finish with 8-7-55 to Berwick's 1-2-8.

Well done to the Hornet, Lewy and JB on achieving 50 games for the club.

The Roo Boys travelled to Bonbeach to expect the unexpected. It was a typical winters afternoon with the wind blowing and the rain drizzling. The boys came out fighting in the first quarter, keeping Bonbeach to 4 behinds. Unfortunately, the Roo boys didn't make it to the scoreboard until the second quarter with a behind. Bonbeach showed why they are second on the ladder, their ability to link up with one another was impressive. The Roo boys struggled to get the ball in their forward line and although they didn't get the win at the end, they can hold their heads high after giving it a red hot go in today's trying condition

Playing home with another evening game the weather conditions didn't look very good for us. With wind, rain and some very good players unavailable, we knew we were against a formidable side and this was going to be a hard contest.

The opposition got away from us in the first quarter with the wind scoring 5 - 3 to 1 -1, however with some tightening up in our backline and our midfield starting to move in the centre we came in at ½ time 4 -5 to 5 - 3. A fantastic 3rd quarter restricting Narre to just 2 goals we found ourselves only 15 points down but kicking with the wind in the last quarter. This was played at a frenetic pace with a lot of tackling and contested ball throughout the quarter. However, as the game wore on we were able to get on a roll and kicked 4 goals to zero in the last quarter with a lot of enthusiasm and spirit from players and crowd making a fantastic experience for everyone in attendance.

A special thank you to Daniel Bohnenkamp and Rocco Filpi for playing up from the 14s, you boys played fantastically and were certainly an asset for us.

The Roo girls played away against Langwarrin.

The Roo girls turned up switched on from the first bounce.

The Roo girls played our roo girls style of football.

The girls talk, link ups, tackling/shepherding, looking for each other was exceptional today.

Today there was such a positive vibe in the team, especially as we had no one available on the bench. We had some roo girls the walking wounded, but our roo girls kept going back onto the ground and played accountable football.

We are so proud of our football players and the roo girls should be very proud of themselves. Well done roo girl's.
